

GREATER SYRACUSE
LAND BANK

Northside Pocket Park Planning Meeting #1

WHEN: Thursday, April 6th 2017 6pm-7pm

WHERE: 763 Butternut St. Syracuse NY 13208

White Branch Library

The Greater Syracuse Land Bank owns more than 30 residential vacant lots in the Northside TNT area and is seeking feedback from the neighbors in order to turn one into a pocket park.

- We will present potential sites for the neighbors' consideration and brainstorm concepts for site design.
- ESF landscape architecture students will take this information to develop a design.
- The Land Bank will come back in April or May for a second meeting to get neighborhood input for a selection of a final design.
- The park will be installed by June 30th 2017.
- Possible locations are:
 - 1167 Lemoyne Ave.
 - 213 Cleveland Ave.
 - 709 Spring St.
 - 770 Butternut St.

Come help us select a site and let us know what you want to see in a neighborhood pocket park!
